OCV VETTES PRESIDENT'S MESSAGE

We had a full house for our meeting on February 1! I think we have found our new location for general meetings. It is a great room and good food. Thanks again to Bob Burggraf and Tony Siragusa for finding this location and making all of the arrangements! Tony Siragusa is our club's liaison with the Elks Lodge, so if you have any comments or questions about the location, please contact Tony.

The Board would like to welcome our newest member, Rose Bradley from San Clemente. We hope to see Rose at one of our activities very soon.

There are several trips coming up, both day trips and overnights, so please read the newsletter and contact the host of the trip if you have not already signed up. All will be tons of fun and chances to get that Corvette rubber on the road. February is the month of love, and I wish you all to be surrounded by the love of family and friends. ❤️

New OCV Meeting Location

O C Vettes has now held two meetings at our new location. It looks very promising. We have our own large room with separate entrance, separate bar and separate restrooms. The food has been good. The Elks Lodge offers five different entrees each meeting. Menu items will vary monthly. The cost is \$20 per person and includes tax, tip, soft drinks, tea and coffee. There is plenty of parking. Come check out our new meeting location.

January Social Report

The January OCV Social was held at the Newport Rib Company on Harbor Blvd. Thirty members attended the Social. Our hosts were Leo and Donna Mann. We had a room to ourselves at the restaurant, and everyone had a great evening. The restaurant even sent the club a note to thank us for coming out to their location for our Social. Many thanks to Leo and Donna for coordinating the event.

March Social Information

The March Social is being held at Macallans Public House. There you'll find a true pub with a fine

selection of traditional Irish dishes such as bangers and mash and shepherds pie. The menu includes appetizers, salads, burgers, sandwiches and other entrees. For those who want a fancier dish, there are also tasty entrees such as rack of lamb and Beef Wellington.

Our hosts, Jerry and Jane Wheeler, are asking everyone to wear green to the dinner to make the St. Patrick's Day celebration even more fun.

Macallans is located west of the 57 Freeway just north of Imperial Highway in Brea. The Wheelers suggest heading to the public parking structure located on Birch St and Madrona Ave. It's about a half block from the restaurant and there is plenty of room there for parking.

Hope to see you all there!

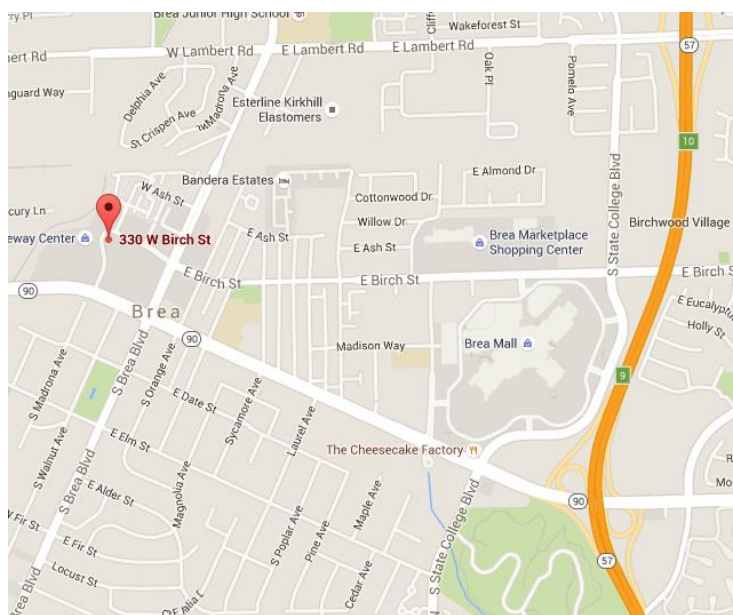

OCV Holiday Party Plans

Ray and Ellie Cranston have volunteered to head up the annual OCV holiday party. This year, they are planning for the party to be held at the Alta Vista Country Club in Placentia. It will be a sit-down dinner party from 5 until 10 PM. There will be wine with dinner and a DJ for entertainment.

More information will be coming in the future, but for now mark your calendars and save the date!

Hosts Needed for Socials

Hosts are still needed for the June and July Socials for 2022. If you have not signed up to host a social before, it is not hard to do. Find a restaurant in Orange County that will hold up to 40 people on a Tuesday night. It works well if they have a separate room for groups at the restaurant. Contact the restaurant to make reservations. If they do not have a large parking lot, make sure the location can accommodate up to 20 Corvettes for parking. Then notify the OCV Board of the location and month.

Palos Verdes Drive

On March 20, 2022, we will be cruising the beautiful Palos Verdes peninsula with stunning views and twisty roads ending at a great Mexican restaurant in San Pedro.

We will meet at Denny's Restaurant, 16967 Pioneer Blvd. in Artesia with a planned departure time of 8:30AM. We will regroup at the Jack in the Box, 2101 Palos Verdes Dr. North in Lomita. There will be a few stops along the drive and we will finish up at the Green Onion Mexican Restaurant, 145 West Sixth St., San Pedro, CA. We have a private room set aside for our dining pleasure. A sign-up sheet was passed around at the February Business Meeting. If you did not sign up and would like to join the drive, please RSVP our host, Bernie DeMarkey, at (714) 981-5875, so he can make sure we have proper staffing at the restaurant.

We are looking forward to a great drive in a great car, ending with a great meal.

Route 66 Fun Run 2022 Update

Ron Molendyk says that all the plans are made and payments have been collected for another great trip to Las Vegas and the Rt. 66 Fun Run. The Marconi Automotive Museum has opened their doors to OCV on June 18th! The Museum is giving us a special rate of \$5.00 per person instead of the normal rate of \$10.00 each. The Marconi Automotive Museum exhibits luxury, rare and historic cars. There are over 70 vehicles worth millions of dollars on display. They are proud to house a collection of high performance street cars and race cars including (but not limited to) Lamborghini's, Ferrari's, and American muscle cars. The open wheel car collection features cars driven by Founder Dick Marconi, his son John, and wife Bo. Additionally, there are many famous cars driven by famous drivers. It's a collection you won't want to miss. The museum is a 501(c)(3) nonprofit with the goal of raising one million dollars annually for various at-risk children's charities by using the automotive museum as a special event venue for automotive fans. They donate the entry fees to Children's Charities such as Make-A-Wish as well as several others.

We will be having lunch some where close by after viewing the beautiful cars. Questions??? Call Bernie DeMarkey, (714) 981-5875.

2-yr, 8-mo Until the '24 Caravan

Is it, like...too soon to start thinking about the 2024 National Corvette Caravan? Not for the Southwest Caravan Organizing Team (SCOT). Through experience, your Organizing Team knows it takes 2 ½ to 3 years to plan and organize an event the size of the Southwest Corvette Caravan. SCOT has begun the early planning stage of the Southwest Section's part of the World's largest moving automotive event, the National Corvette Caravan. If you're going on the Caravan, save these dates: August 22 through August 28 2024.

The Team

In late July of last year, the National Corvette Museum announced the appointment of Frank Sancineto as National Chair—we like to call him "Admiral"—for the '24 Caravan. Sancineto has a great deal of National Corvette experience having been the South Carolina Section Captain in 2019, 2014, 2009 and 2003.

On 1AUG2021 Frank Sancineto announced the appointment of Bill Herold as Captain for the Southwest Section of the National Corvette Caravan. Bill was a Participant in the 2019 National Caravan. He resides in Thousand Oaks, California owns a 2014 Stingray Premiere Edition Convertible and is a member of Red Line Corvettes in Thousand Oaks. Capt. Herold is the Corvette Products Specialist for premium luggage manufacturer and 2019 Southwest Caravan Sponsor, [Club Glove](#).

"I am grateful to our 'Caravan Admiral,' Frank Sancineto, for the opportunity to lead the Southwest Section," Bill Herold states. "I have a great group of Corvette Caravan veterans serving on this Team. The Southwest Section has a long history of great events and happy Caravaners. My top priority is to carry on that tradition."

Returning to SCOT for the 2024 Caravan is 2019's Section Captain, Tony Megowan. For the 2024 he will serve as a Caravan Commander. Tony is a key member of the Team

because, as he did in 2014 and 2019, he will Direct the Southwest Section's "Route Book Project." Tony's Wife, Paula, is also a "Caravan Commander" serving as the Section's CFO. The Megowans live in Ventura CA, own a 2016 Z51 Coupe and are members of Corvette Club Santa Barbara.

Captain Herold reappointed Hib Halverson a Caravan Commander and the Section's Executive Officer. Halverson has 18 years experience with the National Corvette Caravan having been Section Captain in 2003, 2009 and 2014, as well as, Section XO in 2019. He and Wife, Sandy, reside in Goleta CA. They own several Corvettes and are members of Corvette Club Santa Barbara.

Other News

The Route

The 2024 Southwest Caravan will take a modified version of the route used it used in 2019. Parts of the '24 trip have not been finalized yet, but several changes from 2019 are either under consideration or have been approved pending a pre-run by Organizing Team members.

One alteration may be a longer drive on CA State Route 2 after departure from the Los Angeles area. The '19 Caravan toured part of famed "Angeles Crest Highway" and, because SR2 runs through the scenery in the San Gabriel Mountains north of L.A., Capt. Herold has decided to run the entire length of Angeles Crest, from its junction with I-210 in La Canada to its northeastern terminus at SR138 in Phelan, southwest of Victorville.

August 22, 2019: The Southwest Corvette Caravan on Angeles Crest Highway. Image: Sandy Halverson.

Additional change is planned in the Las Vegas area. Fiesta Henderson, the hotel property used in 2019, did not survive the economic upheaval caused by the SARS-CoV-2 pandemic and is now

closed. SCOT will likely move the Southwest Caravan's first overnight to "The M Resort Casino Spa" south of the Vegas Strip, at the junction of Nevada State Route 164 and I-15.

On the second day, rather than driving along the western shore of Lake Mead and through Nevada's "Valley of Fire" state park, the Organizing Team is in discussions with the [Spring Mountain Spring Mountain Motor Resort and Country Club](#), home of the famed Ron Fellows Performance Driving School which does its classes with Corvettes.

The tentative plan is a stop at Spring Mountain where Caravaners will get a briefing on what the school offers Corvette owners followed by lunch and a parade lap around the track.

On the 2019 Caravan, we spent Night-Two in St. George Utah. In 2024, we'll go a bit farther north and stay in Cedar City. The city of 35,000 is located at 5800-ft. on the western edge of the Markagunt Plateau. Its cooler climate will be a welcome change after two days of driving across the Mojave Desert.

On Day-Three, as it did in 2019, the Caravan will continue north on I-15 then turn east on I-40, however, because the Caravan will start an hour farther north, the Organizing Team is considering a "side trip" through Arches National Park near Moab, Utah. After that, the Caravan will proceed to our third overnight stop in Grand Junction, Colorado.

On Day-Four Caravaners will see spectacular scenery as the Southwest Section crosses the Rocky Mountains and the Continental Divide. We'll go over 10,662-ft Vail Pass and, 25-miles later, through the Eisenhower Tunnel. At 1.7-miles, It's the longest mountain tunnel (1.7-miles) and the highest point (11,158-feet) on the Interstate Highway System. Caravaners will continue on I-40 down the slopes of the Front Range, through Denver to overnight in either Goodland and Colby, Kansas.

Day-Five will, also, use the same route as in 2019, from Goodland and Colby to Kansas City Missouri. "KC" was the site of the 2019's Airline History Museum Dinner, an event which was well-received by Caravaners. Plans for Night-Five on the 2024 are TBA.

The sixth-day of the Southwest Corvette Caravan will take us to Cape Girardeau, Missouri and the "Corvettes in Cape" event. Staged by Cape G's Convention and Visitor's Bureau and the Corvette Club of Southeastern Missouri, in 2014 and 2019, Corvettes in Cape drew the SW Section as well as the Missouri/Kansas and Oklahoma/Texas Panhandle Sections.

Corvettes in Cape drew non-caravaners from all over the region. This Missouri C1 owner drove to Cape G. to see the Caravan Corvettes. Image: Sandy Halverson

At Cape G., a good time was had by all, including "Las Tres Amigas" (Brenda Coronel, Barbara LoMonaco and Lark Stevens) of Corvette Club Santa Barbara. Image: Sandy Halverson.

Since 2014 the best part of Corvettes in Cape is the massive Corvette "Shine-and-Show". The City of Cape Girardeau closes Main Street in its river-front downtown area. In 2019, nearly 800 Corvettes, parked on both sides of the street, were involved. Image: Sandy Halverson

For this celebration of America's Sports Car, the City of Cape Girardeau closes some of the streets in its riverfront area for a huge "shine-and-show" for the many hundred of Vettes. In addition to the incredible four-wheeled eye candy, there was live music, beer gardens and a wide-variety of food service. This giant Corvette party not only draws 1600 or so Caravaners, but it pulls in general public from around the area who come for the food, entertainment and, of course...all the Corvettes.

The last day of the Caravan, the Southwest Section will make the comparatively short drive to the National Corvette Museum in Bowling Green, Kentucky arriving on the First Day of the NCM's annual Labor Day Celebration which commemorates the opening of the Museum back in 1994.

Sponsors

A Caravan section the size of Southwest depends on supportive sponsors to enable the Southwest Caravan Organizing Team to stage an event pleasing to its Caravaners. The first sponsor to step-up to help the Southwest Section put on its 2024 Caravan was Zip Products. Since 2009, the Corvette parts and accessories vendor has sponsored the Southwest Caravan eNews and has advertised in the Southwest Section's Route Book. "The Organizing Team has appreciated Zip Products' support over the years," Section Captain Bill Herold states. "The support Zip's President, David Walker, gives our Caravan Section is invaluable in the early stages of Caravan planning.

Former Section Captain Hib Halverson said a number of years ago that sponsorship is the "...mother's milk of Caravan planning. It's a great way to get a Corvette-related product or brand in front of a captive audience of 400-or so Corvette owners and enthusiasts."

The Southwest Section offers sponsorship opportunities with its page on the National Caravan web site, with its eNews and with the 2024 Southwest Section Route Book. For information on sponsorship opportunities contact Captain Bill Herold swcaravancaptain@gmail.com 805 420 7490

More Information

We are a little less than three years out from the 2024 Caravan, so there are aspects of the Southwest Section's activities which SCOT is not ready to reveal or are not on our radar as yet, but one thing we do have, even this early in the process, are ways to communicate with our Caravaners who've been with us in the past and prospective new Caravaners.

First, we have a page on the National Caravan web site. We, also, have the Southwest Caravan eNews, a tradition going back to 2003. If you are not an eNews subscriber and want to start getting it, send email to SWeNews@netmotive.net and simply type "subscribe" in the body of the email.

If you'd rather not receive the eNews, reply with "unsubscribe" in the email body

Also you can email or call members of the Southwest Caravan Organizing Team for information.
