The Orange Pits

OC VETTES PRESIDENT'S MESSAGE

Greetings OC Vette Members

I am hoping this newsletter finds you well and in good spirits. OC Vettes had some very enjoyable events in August that were well attended.

Our August social was at the Story Bar and Kitchen in Anaheim, hosted by Chris and Martin Latham. The food was excellent, the desserts provided by Chris and Martin were a nice treat, the novels provided were a nice touch, and it was an enjoyable evening for all 35 members present.

On August 23 there was the Corvettes on the Flight Line at Lyons Museum at John Wayne Airport hosted by PCC Corvettes. Our club had four cars there out of a total of 166 Corvettes with Steve Bronston, Patrick O'Keefe, George McDaniel and myself in attendance. There were some very nice cars there and on many, the owners had done some great mods to make them even better than stock. I think all in attendance were hoping for a speed run down the runway, but the FAA was having none of that, much to our dismay.

On August 19th, the OCV had 22 members in attendance for the "The Dinner Detective" at the Embassy Suites in Orange. The show enabled our members to use their detective skills to attempt to solve the crime and much to everyone's surprise, the guilty party was sitting next to Gary Oedekerker. Patrick, Derek and Sue Lookman showcased their theatrical skills while Karen displayed her dancing talent. It was an enjoyable event and a fun night for all.

For upcoming events, please see the schedule of events below. If there is an event you would like to recommend or sponsor, please feel free to pass that information along to me, the Board or the membership at the business meeting.

Wishing you all the best and happy cruising!

Daryl Martin, President

September 16, 6:00 PM
Hosted by Mike and Lori Blume

CRAFTSMAN
WOOD FIRED PIZZA

The September social will be hosted by Mike and Lori Blume and held at 6:00 p.m. at Craftsman Wood Fired Pizza, 148 E. Yorba Linda Boulevard, Placentia (behind Mr. D's Diner). In 1933 an original Craftsman, Nikola Rasic, brought his vision and skills to Los Angeles and opened Nick's Café on Sunset boulevard. The next generation of Craftsman opened just down the street in 1958 and Nikola's became known as a Southern California landmark for the next 30 years. Brothers Walt, Pete and Nick worked from behind the counter while Mama cooked up the daily specials and greeted guests and regulars as they walked through the back kitchen door.

JOKES OF THE MONTH

INTERESTING/UNUSUAL FACT

THERE'S AN ORCHESTRA MADE UP ENTIRELY OF TYPEWRITERS.

Since 2004, the Boston Typewriter Orchestra has been playing concerts, making and performing music by only using vintage typewriters. The various sounds of clacking, sliding carriages, bells, and spinning rollers contribute to the orchestra's unique sound, according to Ripley's Believe It or Not!

President's Message

September 2025

Here we are into fall already! If you missed convention, we had a good time! The resort was HUGE and very nice. Instead of worrying about a room key, they gave you a wrist band to get into your room and you could also use it to charge items to your room by just scanning the band. Nice technology. I am hoping you all saw lots of the pictures of the events and parties – there were plenty online. At the meeting you will hear more about the 2026 convention in Syracuse NY.

We will have a busy meeting coming up!

- We will be voting on the dues increase. Primary dues will go up \$15 and spouse/dependent \$5
- Lifetime memberships will go from \$300 to \$500
- The competition rulebook changes will be read so governors will know what they will be voting on. There are a lot of updates and changes so we will go over each one. As a reminder: you get to vote on each change separately.

Please take a look at the information on the website. The minutes are available under the Members Only tab. The competition changes are on the website under a tab that says Rulebook changes and Clarifications. Talk to your RCD or governor if you have changes or want more information, prior to the meeting and voting.

We are continuing to look at ways to cut expenses. It's time to talk about the 2026 budget already!

I am at the National Corvette Museum for the Anniversary celebration and Hall of Fame induction. Most of the programs have been to talk about the ZR1 and ZR1X. The engineers have been fun to listen to on how they managed to test and break equipment while increasing the horsepower.

Since the NCM brought the photography inhouse, they are offering clubs photo ops for their visits – in front of the museum as well covering other activities. Don't forget that they have a package to get any Corvette detailed (outside) and then displayed on the boulevard for the day that could be included in a club visit. Take a look at the updated Museum in Motion venues on the NCM website.

The museum is now offering a chance to win a 1967 Corvette in a sweepstakes drawing December 29th. Again, take a look at the NCM website to learn how to get a ticket.

That's all I have for now! See ya in St. Louis

September 2025 Website Update

Walt Jenkins IT Director

Convention was a lot of fun, if you missed it, you shouldn't have! I'm from out west (Colorado) and can't remember ever seeing so much Corn and Soybeans ready for harvest. Boy do you guys in Nebraska, Iowa and Wisconsin have a lot of corn! And the crops look very healthy, the

farmers should have bumper crops of both corn and soybeans which I think is the best thing that can happen!

Onto the website updates.

All the Convention results except the Concours Car Show and Funkhana are posted and the Gimmick rallye should be complete shortly.

I made an update to the RCD membership Database screen so the reset of all the race numbers and populating the race numbers is a bit harder as it now requires that a question be answered to see if that's what the RCD REALLY wants to do and wasn't just a slip of the mouse. Hope that cures all the mistakes that can be made so the RCD's don't have to re-populate those fields by hand.

The new program that sends out the monthly President's message seems to be working very well, so that issue appears to have been resolved. Also, be careful where you click on the message, I have had many members accidentally remove themselves from receiving the message. It's not a big deal to reset it, but it does take a bit of time to get the work done because first the President gets the request, then sends it to me and then I fix the issue.

For all you drag racers out there, when putting in results, make sure you put the number of rounds completed as the first character in the remarks column. That is the second sort for the results, so it's important that this be done properly. More to come from the RCD meeting this month in St. Louis.

One more thing.... Those of you that decided to become Lifetime members, congratulations. For those new lifetime members and any other members that have changed their NCCC number and have points accumulated in the Competition Database, please let me know as I need to change the NCCC number, so the results get populated correctly. That's all! Have a good what's-left-of-Summer and then into Fall.

Walt Jenkins
